## The complete series

# Midland XT Series

This series is characterized throughout by:

- Excellent voice quality
- Low susceptibility to interference
- Hands-free VOX function
- Coding tones (CTCSS) for undisturbed calls
- Call/ring tone
- Noise suppression
- 2-pin double jack plug Midland/Albrecht standard

The XT series is compatible with all headsets with Midland/Albrecht connection and can therefore be used in various areas (e.g. security, stores, warehouses, construction sites, etc.).

#### Scope of delivery

2 radios, 2 belt clips

- Order no: C1176

### Midland XT30

- 16 channels (8 + 8 preset)
- Range up to 6 km
- Battery life approx. 5 hours
- Micro-USB charging socket
- Dimensions W/H/D: 48 x 90 x 32 mm
- Weight: 75 g

#### Scope of delivery

2 radios, 6 x AAA batteries, double USB charging cable, 2 belt clips

- Order no: C1177

Camouflage colors

- Order no: C1177.03

### Midland XT50

- 24 channels (8 + 16 preset)
- Range up to 8 km
- Battery life up to 12 hours
- Micro-USB charging socket
- Dimensions W/H/D: 54 x 103 x 33 mm
- Weight: 93 g

#### Scope of delivery

2 radios, 2 battery packs, USB charging cable, double stand charger, 2 belt clip

- Order no: C1178

XT50 Blaze, Camouflage colors

- Order no: C1178.04

## Midland XT60

- 24 PMR446 channels (8 + 16 preset)
- 69 LPD channels
- VOX sensitivity adjustable in 9 steps
- High/Low Power (PMR446)
- Battery life up to 12 hours
- Micro-USB charging socket
- Range up to 10 km
- Dimensions W/H/D: 54 x 120 x 33 mm
- Weight: 112 g

### Scope of delivery

2 radios, 2 battery packs, USB charging cable, dual stand charger, 2 belt clip

• Order no: C1179

## Midland XT70

- 24 PMR446 channels (8 + 16 preset)
- 69 LPD channels
- VOX sensitivity adjustable in 9 steps
- High/Low Power (PMR446)
- Battery life up to 18 hours
- Range up to 12 km
- Range control
- Babysitter function
- Micro-USB charging socket
- Dimensions W/H/D: 58 x 120 x 33 mm
- Weight: 113 g

### Scope of delivery

2 XT70 radios,  
2 battery packs,  
USB charging cable,  
double stand charger,  
2 MA21-L headsets,  
2 belt clip

• Order no: C1180

## Midland XT70 Adventure Case set

• Equipment like XT70

### Scope of delivery

2 XT70 radios, 2 x battery packs,  
2 stand chargers, USB charging cable,  
USB power supply, 2 Headsets MA-21 L,  
2 belt clip, hardcase

• Order no: C1180.01

The convenient

# Midland G7 Pro

Not only does the G7 Pro feel good in the hand, but its excellent build quality makes it one of our most popular PMR devices.

The Midland G7 Pro has a very sturdy housing and is especially for professional use, for example on construction sites and exhibition grounds or in buildings such as hotels. But also in the leisure sector the handy radio is very popular.

- 16 PMR 446 channels and 69 LPD channels
- Ringing tone switchable to vibration alarm
- 38 coding tones (CTCSS) for undisturbed calls
- VOX handsfree function

## Midland G7 Pro Single device

1 device, charging adapter u.

4 batteries (1800 mAh)

• Order no: C1090.14

## Midland G7 Pro Pair

2 devices, double stand charger and 2 battery packs (800 mAh)

• Order no: C1090.13

## Midland G7 Pro Camouflage colors

1 device, plug-in charger, 4 batteries (1800 mAh)

• Order no: C1090.15

## Midland G7 Pro White Storm

1 device, plug-in charger, 4 batteries (1800 mAh)

• Order no: C1090.20

# Midland G7 Pro hardcase sets

The G7 Pro hardcase sets allow you to organize your equipment perfectly, even for larger projects, whether for professional or private use.

## Midland G7 Pro, Case set of 2

2 units, dual stand charger, 2 MA-24L headsets,

2 battery packs, hardcase

• Order no: C1090.18

## Midland G7 Pro, Case set of 4

4 units, 2 dual stand chargers, 4 MA-24L headsets,

4 battery packs, hardcase

• Order no: C1090.19

The Intelligent

# Midland G9 Pro

With emergency call button: All radios within range receive the emergency call, even if they are set to other channels!

- Double transmit button for high or low power
- Emergency call button

# Driving school hardcase set for „car to motorcycle“ training

## Midland G7 Pro

The Midland G7 Pro is a powerful radio in an extremely robust housing: 16 PMR446 and 69 LPD channels, handsfree, call button, vibration alarm, 38 CTCSS coding tones per channel and much more.

Freehand operation for „Car to Bike“ use

### Scope of delivery

#### For the driving instructor in the car:

- 1 x G7 Pro radio incl. batteries and belt clip
- 1 x Plug-in charger for charging the G7 Pro at a power outlet
- 1 x 12 V Charging cable with cigarette lighter plug for charging in the car
- 1 x HS02 Headset for use in the car
- 1 x Suction cup mount for the windshield to use the G7 Pro in the car without having to hold it in your hand (according to the latest traffic safety regulations of the federal government)
- 1 x Carrying case for easy transportation

#### For the student driver (motorcycle):

- 1 x G7 Pro Radio incl. batteries and belt clip
- 1 x plug-in charger to charge the G7 Pro at a power outlet
- 1 x helmet earphone (one-sided)
- 5 x spare pads, to be able to stick the earphone in further helmets to be able to velcro
- 1 x universal adapter 3.5 mm, if the student wants to use his own (smartphone) headset

Case set, Art.-No: C1090.S7

Battery packs  
Art.-No: 72948

COHS Universal Headset  
Art.-No: 41932

BHS 300 N  
Art.-No: 41940

## Function explanations

**These devices are free of registration and charges!**  
There are 16 channels available with a transmitting power of 500 mW (ERP).

**Private channels CTCSS/DCS:** CTCSS/DCS encodings allow you to communicate selectively with individual radio partners who have programmed the same CTCSS tones or DCS codes without interference.

**In baby monitoring mode** the radio signals of users on the same channel are successfully suppressed.

**Vox voice command:** The Vox function makes it possible to transmit without pressing the transmit key. The transmitter is activated by speech.

**Battery or battery indicator:** Indicates the approximate remaining capacity of the accumulators/batteries.

**Baby monitoring:** A function to monitor babies, children and people in need of to monitor.

## Important for the vacation trip

The operation of the radiotelephones with exclusively PMR446 reception, is released in the following countries:  
AT, BE, BG, CH, CY, CZ, DE, DK, EE, ES, FI, FR, GR, HR, HU, IE, IS, IT, LI, LT, LU, LV, NL, NO, PT, SI, SE (as of September 2023).

Undeveloped land, over water with clear line of sight, etc.	up to 12 km and more
Slightly hilly, in forests, etc.	3-5 km
In lightly built-up terrain, between vehicles and motorcycles	up to 2 km
In towns, cities, etc. (depending on the development)	up to 1,5 km
Within densely built-up cities or with concealed antenna, e.g. in a jacket pocket	up to 800 m
Inside reinforced concrete structures	up to 400 m
