

ALBRECHT DR 451 Clock Radio

However you like to start your day, the new **DR 451 clock radio** gets you out of bed with ease! Whether it's the news, a morning show or music, this clock radio offers a **huge variety of programmes** to welcome the new day in a good mood. You can **choose between interference-free DAB+ reception and traditional FM reception**. For a restful night's sleep, the display can of course be **dimmed or switched off completely**. Thanks to the built-in **crescendo function**, the alarm volume rises gradually, while the **snooze function** gives you a few extra minutes in bed. The **snooze button is slightly raised**, so you can easily find it by touch, even in the dark.

KEY FEATURES

Hybrid Radio: DAB+ and FM

Interference-free digital reception plus access to the classic analogue stations.

Built-in ASA Alert System

Receives automatic warnings for added safety in emergencies – even in standby mode.

Dual Alarm Function

Set two alarm times independently of each other.

Wireless Music Streaming

Turns the clock radio into a speaker for your smartphone playlist.
