

Multifunctional microphone for AE 5900 Mini SSB

Multifunctional microphone for AE 5900 Mini SSB with RJ45 connector and 4 programmable buttons.

To use the multifunction microphone, you must select "TYPE2" under "Microphone Type" in the menu of the AE 5900 CB radio (see instructions in section 7.4.1.).

The following programmable functions are available:

Mute, Mode, VOX, EMG, ASQ, DW (Dualwatch), CTCSS/DCS, SCAN

On the right side of the microphone, there is a slider for the key lock. When the slider is at the bottom, the key lock is active.

(Pin layout of microphone socket)
