

ALBRECHT DR 53

No-noise digital radio reception

Digital radio tuner with a large color display for connecting to a stereo system or external speakers.

This compact digital radio tuner features an impressive 4-inch color display. This makes it easy to view DAB slideshows, station logos, album covers, images, news, and more.

60 presets make it easy to select stations, and thanks to music streaming with ID3 tag support, you can effortlessly stream music from your smartphone or Spotify. This way, anyone can future-proof their stereo system.

KEY FEATURES

Large 4-inch color display

for displaying slideshows, station logos, album covers, images, news, etc.

60 (mixed) memory locations

for DAB+ and FM radio stations

Equalizer

for custom sound settings

Remote control

convenient operation from the comfort of your sofa
