

ALBRECHT DR 55

The **Albrecht DR 55** is a DAB+ digital radio adapter with **hands-free calling and music streaming functionality**.

Easily **upgrade** your existing car radio with **DAB+** digital radio: simply install the adapter on the dashboard using one of the included mounts, lay the antenna, and start a channel scan. And just like that, you're ready to enjoy **digital radio** in your car. On top of that, you can also connect your **smartphone** to the Albrecht DR 55, allowing you to **take phone calls** or **play music** from your smartphone through your car radio.
