**Item no.: 24100**

# ALBRECHT TV voice amplifier "KLARO"

## Easy installation:

- 1.)** Connect the charging station to a power socket and charge the KLARO loud-speaker.
- 2.)** Connect the transmitter unit to the TV using either the supplied 3.5 mm jack cable or the optical Toslink cable. All televisions have at least one of these connections on the back. You will find detailed instructions in the manual.
- 3.)** The KLARO speaker is already paired with the transmitter unit before selling. Place the speaker comfortably next to you on the sofa, switch it on and enjoy the TV program with crystal-clear sound quality.
