## DAB+ Radio Albrecht DR 62

### Operation with batteries or power adapter

The portable DAB+ radio Albrecht DR 62 is (due to its small size and weight) the ideal musical companion - whether at home or on the go for various activities.

The small DAB+ radio fits comfortably in your pocket or luggage and allows you to receive music and news in crystal-clear DAB+ quality as well as classic FM radio stations.

The integrated headphone jack and the sleep timer are very practical. The clear display provides information about additional song information, e.g. artist name, current album, etc.

► **Ord.-No.: 27362**
