Thanks to its compact size and light weight, the ALBRECHT DR 70 is a perfect companion for many undertakings. Whether on excursions, (short) holidays or other activities - the digital radio in mini format reliably delivers entertainment in the form of music and news in DAB+ or FM.

At only 12 cm long and 8 cm wide, it fits comfortably in a handbag or backpack. The integrated torch and sleep timer are practical. Visually, the digital radio scores with its colour display and selectable background colours.
