

 **DR 884**

Hybridradio DAB+/Internet-/
FM Radio/USB

Radio operation also possible
via smartphone app!

- ▶ color display
- ▶ shows photos and graphics (slideshow) in DAB+ or Internet radio mode
- ▶ Radio control via smartphone app possible
- ▶ receives over 25.000 internet radio stations
- ▶ music streaming from smartphones
- ▶ alarm clock function

This all-rounder combines three technologies (Internet / DAB+ / FM) in one radio. Thanks to its two loudspeakers and the stylish yet elegant housing, it offers an impressive sound. Enjoy over 25,000 stations worldwide including all local DAB+ stations via the Internet radio.

The high-resolution color display enables images and graphics to be displayed in high-quality (slideshow in DAB+ mode). The radio control by smartphone app is particularly convenient. Additionally you can stream own music from your smartphone to the DR 884.

The trendy hybrid device also allows music playback from a PC. The DR 884 can be used as alarm clock with sleep timer function in your bedroom.

Features:

- ▶ Internet radio via WiFi with 25,000 stations worldwide
- ▶ DAB+ digital radio
- ▶ FM radio with RDS
- ▶ Music streaming from your smartphone
- ▶ Radio operation via Smartphone App
- ▶ 2.4" TFT color display
- ▶ Alarm clock and sleep timer
- ▶ Equalizer
- ▶ Output power: 2 x 7,5 Watt RMS
- ▶ Headphone jack 3,5 mm
