ALBRECHT
AE 6120 VOX

The Albrecht **AE 6120 VOX** may be **mini** in size, but it still impresses with a range of integrated functions.
Measuring just 11 cm wide and 2.5 cm high, it fits easily into even the tightest spaces. Its **die-cast housing** makes it very sturdy. Despite its small size, the radio features a **detachable microphone** with RJ45 modular plug.

The **new** version of the AE 6120 VOX comes with a **connection socket** for the power supply. Choose whether you want to install the CB radio in your vehicle via **cigarette lighter plug** or with **permanent wiring**. Simply plug the matching power cable from the package contents into the radio and get going - it couldn't be easier.
