CB RADIO

ALBRECHT

AE 6491 VOX

The multi-standard CB radio with state-of-the-art technology and very simple operation.
The new **VOX hands-free function** enables communication in the vehicle **without having to pick up the microphone**. The radio detects when the driver is speaking and automatically starts transmitting. The **sensitivity and delay** of the VOX hands-free function can be adjusted **in several levels**.
The display of this multi-standard CB radio impresses with its **clarity** and a **wide horizontal and vertical viewing angle**.

KEY FEATURES

Autosquelch (ASQ)
saves you the hassle of constantly readjusting the squelch

VOX hands-free function
lets you transmit without having to pick up the microphone

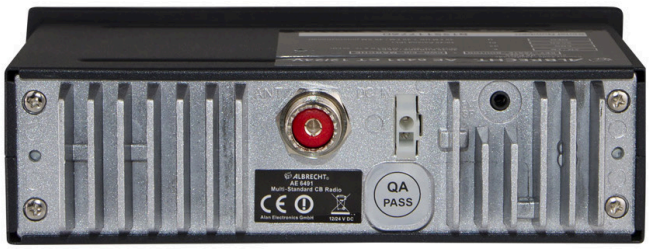

Powerful front speaker
delivers clear, powerful sound

12/24 volt operation
makes it equally easy to use in cars and trucks
