ALBRECHT
CarDAB+ Car Stereo Adapter

Upgrade your vehicle in no time: The smart CarDAB+ adapter brings state-of-the-art infotainment right to your dashboard! At its heart is the brilliant 10.26" (23.4 cm) LCD touchscreen, which lets you use Apple CarPlay and Android Auto wirelessly. Navigate with ease, control your apps via voice commands (Siri/Google), or mirror your smartphone via AirPlay and Miracast.

In addition, you'll enjoy static-free DAB+ digital radio reception. Thanks to the high-quality Frontier Silicon chip and the included active antenna, the best possible signal quality is guaranteed. Audio can be easily transmitted to your existing car stereo via the built-in FM transmitter or the AUX cable.

Simply attach it using the suction cup or adhesive mount, plug it into the 12V port, and hit the road—enjoy maximum connectivity on every trip!

KEY FEATURES

Wireless Connectivity
Use Apple CarPlay and Android Auto completely wirelessly and easily access your favorite apps.

Huge Touchscreen
Thanks to its enormous size, the brilliant 10.26-inch color display provides a crystal-clear and optimal view.

Crystal-Clear Reception
Enjoy static-free DAB+ digital radio. Thanks to Service Following, the device automatically searches for the best frequency at all times.

Enhanced Security
Stay focused thanks to built-in voice control (Siri/Google) and receive important ASA alerts reliably.
