

ALBRECHT DR 114 Outdoor Radio

Whether by the campfire, at the campsite or on your next trip into nature – the Albrecht DR 114 is the perfect companion for all camping fans. This compact outdoor radio keeps you informed and entertained on the go, with FM, DAB+ or music streaming from your smartphone – with powerful sound from two 7-watt stereo speakers. Thanks to the ASA function, it also receives emergency alerts via DAB+. At the same time, the DR 114 is a flashlight, camping light and power bank in one: the extendable camping lamp offers three brightness levels – cool white, warm white or anti-mosquito light. And all of this without an external power supply, as the 5000 mAh rechargeable battery can be charged via hand crank, solar panel or USB-C. The shockproof housing with IPX5 water protection stands up to rain showers and rough use, while the SOS alarm function provides extra safety in an emergency.

KEY FEATURES

Extendable Camping Lamp

80 lumens with three brightness levels – cool white, warm white or anti-mosquito light for relaxed evenings outdoors.

Multiple Power Sources

Battery, hand crank, solar panel or USB-C: the DR 114 stays ready to receive, even without a power outlet.

DAB+ with ASA Alerts

Digital radio with automatic emergency alerts, plus FM and music streaming from your smartphone.

Mobile Power Bank

Conveniently charge your smartphone and other devices on the go via USB from the 5000 mAh battery.
