

ALBRECHT DR 865 Digital Radio

Albrecht presents a **user-friendly digital radio** for everyone! The radio offers a **comfort mode** in which only the most important functions are available: on/off, volume and favourite stations. **Large buttons** and a **clearly laid-out screen** make operation easy. With the included **remote control**, you can switch between your favourite stations comfortably from the sofa. The radio also features **voice output** for the menu, which guides you audibly through the settings and makes operation even easier. An integrated **ASA warning function** reliably receives and announces important safety alerts. On top of that, the DAB+ and FM radio DR 865 wins you over with its **retro design** and a **rich, room-filling sound experience**.

KEY FEATURES

Noise-free digital radio

DAB+ with many new stations plus FM – shown on the easy-to-read 4" (approx. 10 cm) colour display.

Switchable comfort mode

Family-friendly and intuitive: only the key functions are active – preventing operating errors.

Voice-guided menu

Every menu item is read aloud – ideal for people with poor eyesight or visual impairments.

ASA alarm function

Automatic reception of safety alerts in an emergency.

PACKAGE CONTENTS

DR 865 radio, power adapter, remote control with batteries, 3D sticker with tactile symbols, detailed operating instructions

Item No.: 27865

NEW: Voice-guided menu

Every menu item is read aloud – so you always hear exactly where you are in the menu. This makes operation easy, even for people with poor eyesight, visual impairments or blindness. A 3D sticker with tactile symbols is also included, which you can attach below the buttons if you wish – making them easy to identify. The perfect solution for barrier-free radio listening.
