

ALBRECHT

DR 455

DAB+/UKW clock radio

Start your day with music, news or your favourite morning show -

the **Albrecht DR 455 clock radio** makes it possible! Choose between noise-free DAB+ or traditional FM radio reception for a wide range of listening pleasure.

The **new ASA (Automatic Safety Alert)** alarm function is a particular highlight. It ensures that you stay informed in emergencies by receiving reliable safety messages, even if the internet or mobile phone connection is disrupted. The radio switches on automatically, even when it is in standby mode. When you are listening to the radio, it automatically switches to a warning message.

Other features include a large 5-inch display, a crescendo function and an easy-to-touch snooze button. Enjoy peaceful nights with a dimmable or completely switched off display.
