

# DR 865 DAB+ digital radio

Albrecht presents a **user-friendly digital radio** for everyone!

The radio offers a **comfort mode** in which only basic functions such as on/off, volume control, and favorite stations are available. **Large buttons** and a **clear display** make it easy to use. The included **remote control** allows you to conveniently switch between your favorite stations from the comfort of your sofa.

In addition, the radio has a **voice output** for the menu, which guides you through the settings acoustically and makes operation even easier. The **ASA warning function** automatically sends out safety information, even from Standby.

The DR 865 DAB+ and FM radio features a stylish **retro design** and an **impressive, voluminous sound experience**.

## KEY FEATURES

### Noise-free digital radio

DAB+ with many new stations

### Family-friendly

Simple, intuitive operation

### Large display

4" (approx. 10 cm), easy-to-read color display

### Comfort mode can be activated

Prevents incorrect operation

### Voice-supported menu navigation

For people with visual impairments

### ASA alarm function

Automatic reception of  
Safety announcements in an emergency

### NEW: Voice-assisted menu navigation

The radio offers voice-assisted menu navigation, which allows users to hear where they are in the menu at all times. Each menu item is read out loud to make operation easy even for people with impaired vision, visual impairment or blindness. The radio also comes with a 3D sticker with tactile symbols that you can optionally attach under the buttons so that they are easy to identify. The perfect solution for barrier-free radio listening.
