

ALBRECHT DMR-100

Digital radio

This versatile handheld radio combines the best of both worlds: it offers an **innovative dual mode** and supports both the widely used analog radio standard (**PMR446**) and modern digital radio (**DMR Tier 1**).

The main feature of the **Albrecht DMR-100** is the **digital mode**, impressing with its **total absence of noise** and significantly **improved audio quality**. Whether for demanding professional use or outdoor activities, with an impressive **range of up to 10 kilometers** and a powerful **battery life of up to 23 hours**, this device won't let you down.

KEY FEATURES

Dual radio transmission

Supports both digital and analog radio operation for maximum flexibility

Digital voice encryption

For undisturbed conversations and secure communication
