

ALBRECHT DR 1000 All-in-One sound system

Discover the extensive **Albrecht DR 1000 CD radio**: an elegant **2.1 soundbar** with **30-watt subwoofer**, **3D surround sound** and **HDMI** for connection to a TV.

The large **4.3 " LCD color display** shows channel logos and album covers in full screen, while the **Clear Voice technology** highlights dialogues on TV and makes them easier to understand.

You have **eight reception modes** to choose from: Internet-radio, DAB+, FM, CD, streaming, USB, Spotify Connect, and podcasts.

The radio can be controlled via **smartphone app** and offers various connections such as **HDMI, optical** or **phono input** for MM turntables.

With additional features such as an **equalizer**, **alarm/snooze/sleep timer** and **automatic volume adjustment** the DR 1000 combines powerful performance, smart versatility and high-quality design.

KEY FEATURES

Internet, DAB+, and FM

offers unlimited program variety: thousands of Internet stations, crystal-clear DAB+ and classic FM—all in one device.

2.1 soundbar with 30-watt subwoofer

provides thrilling home theater-sound: powerful bass, spatial 3D surround sound, and direct TV-connection via HDMI.

Clear Voice Technology

optimizes dialogues and highlights voices so that conversations in movies, series, and news programs are much easier to understand—for a better TV experience.

Music streaming from mobile devices

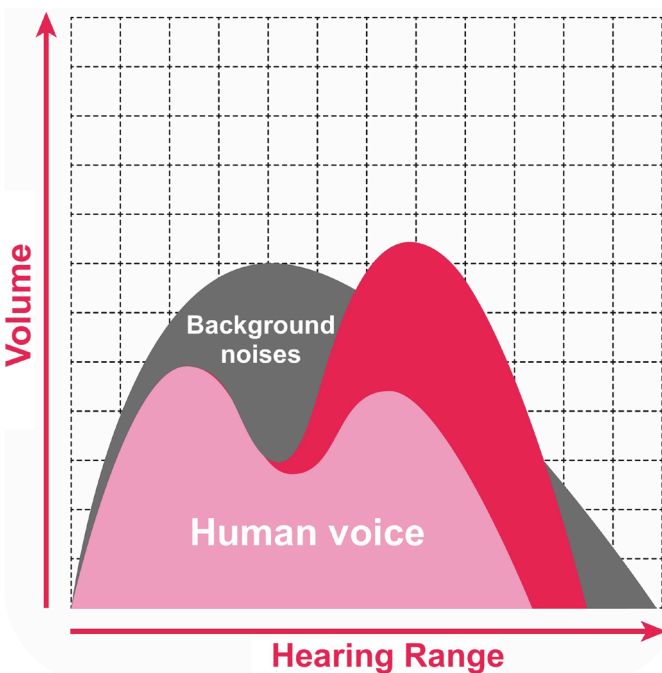

makes playing your favorite music easy: stream wirelessly via Wi-Fi/Spotify Connect or via USB – from smartphones and tablets anytime, anywhere in your home.

AUDIO

Clear Voice Technology:
