

# ALBRECHT DR 451 Radio Alarm Clock

No matter how you want to start your day, with the new **DR 451 radio alarm clock**, getting up is always a breeze! Whether it's news, morning shows, or music, this radio alarm clock offers a **huge variety of music** to help you start your day in a good mood. You can **choose** between **noise-free DAB+ or traditional FM radio reception**. For an undisturbed night's sleep, the display can of course **be dimmed or switched off completely**. The integrated **crescendo function** slowly increases the alarm volume, and the **snooze function** allows you to delay getting up for a few more minutes. The **snooze button is slightly raised** and can be easily felt by the user even in the dark.

## KEY FEATURES

### Hybrid radio reception (DAB+ & FM)

provides noise-free digital radio or access to classic analog stations

### Integrated ASA warning system

Receives automatic alerts for greater safety in emergency situations even in standby

### Dual alarm function

allows you to set two independent alarm times

### Wireless music streaming

Turns the radio alarm clock into a speaker for your smartphone playlist.
