# DR 862 Comfort Radio

The **Albrecht DR 862** is a **particularly easy-to-use DAB+ and FM digital radio** that is suitable for everyone. Thanks to the **comfort mode** (senior mode), only on/off, volume, and favorites are available— **incorrect operation is impossible**. Ideal for seniors, people with disabilities, or as a child safety feature. In **standard mode**, additional functions such as station search, station list, and settings are available. **Large lettering, a clear display, and a colored button** ensure optimal readability. With the optional **remote control**, you can conveniently control your favorite stations from your sofa. The radio impresses with its **elegant retro look, high-quality wooden housing, and powerful sound**. Thanks to its **integrated rechargeable battery**, it can also be used on the go - e.g., in the garden, when camping, or in the park.
