

ALBRECHT DR863 Digital Radio

This modern DAB+ and FM radio features an optional comfort mode that prevents accidental misoperation by limiting controls to power on/off, volume control, and five station presets. For maximum safety and accessibility, the device also offers reliable reception of ASA alerts—even in standby mode—as well as voice guidance and menu navigation in nine languages.

The 4.3-inch TFT color display ensures excellent readability. The radio's clearly laid-out buttons make everyday use particularly intuitive. The features are rounded out by a remote control for convenient operation from the sofa, as well as the practical ability to stream music—including track selection—directly from your smartphone.
