

ALBRECHT Tectalk 4 Team

PRO
SOLUTIONS

The Albrecht Tectalk 4 Team 4-Piece Case Set offers a professional and reliable communication solution for teams. With 16 PMR446 channels and a range of up to 10 km, these radios are ideal for events, security, or leisure activities. The rugged housing is IP55-rated for dust and splash protection, allowing for use in harsh conditions. Thanks to the powerful 3000 mAh battery, an operating time of approximately 14 hours is guaranteed. Convenient features such as the VOX hands-free function, voice prompts, and a programmable side button make operation easy. Functions such as squelch or scrambler can be customized using optional software. The complete set comes in a practical carrying case and includes four radios (2 blue and 2 black), four headsets (with Kenwood connector), batteries, belt clips, lanyards, and a USB-C dual charging cable.

KEY FEATURES

Reliable communication

With 16 PMR446 channels and a range of up to 10 km. Ideal for events, security, or leisure activities.

Durable & Weather-resistant

The rugged housing is IP55-rated for dust and splash protection. Perfect for harsh outdoor conditions.

Sustainable Energy

The 3,000 mAh battery provides approximately 14 hours of battery life. It can be conveniently recharged using the included USB-C dual-port charging cable.

Handy Complete Set

Four two-way radios with headsets and VOX hands-free functionality. Ready to use right out of the box and securely stored in a convenient carrying case.

ALBRECHT

Tectalk 4 Team
