

ALBRECHT Tectalk Smile

Discover the Albrecht Tectalk Smile—the perfect walkie-talkie for little explorers, detectives, and secret agents! This low-radiation walkie-talkie combines creative play with reliable communication. Thanks to its child-friendly operation and sturdy, rounded design, it's the ideal companion for exciting adventures in the yard, around the neighborhood, or on bike rides.

With a range of up to three kilometers and three coded channels, children (ages 6 and up) can stay connected with each other without interruption. Safety is the top priority: The device has been certified by the Working Committee on Children's Play and Toys and is approved in accordance with the strict toy standards DIN EN 71 and DIN EN 62115.

This all-in-one kit, which requires no registration and has no fees, includes everything you need to get started—for unlimited and safe radio fun, with absolutely no hidden costs!

KEY FEATURES

A breeze to use

The fun, sturdy design with no sharp corners or edges is ideal for kids to run around and explore.

Reliable Range

With a range of up to 3 km and three coded channels, children stay connected without interruption.

Certified Safety

This low-radiation device is certified in accordance with the strict toy standards DIN EN 71 and DIN EN 62115.

Free Gaming Fun

There are no radio fees, either domestically or abroad. In addition, the set is completely registration-free.
