

MIDLAND

Wild Guardian Wi-Fi 4K Game Camera

OUTDOOR

Capture fascinating moments in nature up close: This high-performance wildlife camera delivers crystal-clear 4K videos and brilliant photos with up to 24 megapixels. Thanks to built-in Wi-Fi and a smartphone app (iOS & Android), you can conveniently configure it remotely and access your footage wirelessly—even in hard-to-reach places—without ever having to remove the memory card. Highlights include 46 invisible Black-IR LEDs for perfect night vision up to 20 m, the built-in 2.4"-TFT color display, and the lightning-fast 120° PIR sensor with a 0.5 s trigger time. The weatherproof IP65 kit comes ready for installation with a strap, mount, mounting base, and USB-C cable. Ideal for hunting, wildlife research, forestry, and private property surveillance!

KEY FEATURES

Stunning 4K & 24 MP Photos

Delivers crystal-clear 4K videos and detailed photos with up to 24 megapixels, day or night.

Smart Wi-Fi & App Control

Convenient remote control via the *Hunting Camera* smartphone app (Android/iOS): Adjust settings and view footage wirelessly on-site.

Invisible night vision up to 20 m

46 high-quality 850-nm black IR LEDs provide wide illumination in the dark without startling animals or people.

Blazing-fast 0.5-second detection

The precise motion sensor, with a wide 120° detection angle, activates in just 0.5 seconds and reliably detects every movement.
