Wild Guardian

Full HD wildlife camera

OUTDOOR

Capture fascinating moments in nature up close and with reliability: Thanks to its precise sensor, this compact Full HD wildlife camera reacts to movement in a flash. It delivers detailed photos with up to 20 megapixels and crystal-clear 1080p videos day and night. Highlights include 10 high-power Black-IR LEDs for clear night vision up to 15 m, the built-in 2.0"-color display for real-time monitoring, and an extremely fast trigger time of just 0.4 seconds. The weatherproof IP65 kit in a camouflage design is ready for immediate use and comes with a strap, mount, mounting base, and USB-C cable. Ideal for hunting, wildlife observation, forestry, and private property security!

KEY FEATURES

Full HD Video & 20 MP Photos

Captures crystal-clear 1080p videos and brilliant photos with up to 20 megapixels for detailed observations.

Discreet night vision up to 15 m

10 high-performance 850 nm black IR LEDs reliably illuminate the scene in the dark without startling wildlife.

Lightning-fast 0.4-second trigger

The highly responsive PIR motion sensor detects any activity in the blink of an eye and never misses a moment.

Built-in 2.0" color display

The built-in TFT display allows for intuitive menu navigation and on-site review of images.
