MA 21 LK PRO

The hook over the ear makes this earpiece very comfortable even for continuous use. During hunting, an airsoft game, for communication in the shop it will be easy to forget you are wearing it.

No configuration is needed; just connect it to your radio and you can start communicating.

COMPATIBILITY

The MA 21 LK PRO earpiece with 2-PIN KENWOOD plug is the ideal match with all Midland radios that support the Kenwood standard: G10 Pro, G11 Pro, G13, CT590 S, CT990.
