

## MULTI CA PB G15 PRO

6-position radio multiple charger.  
Radio models: G15/G18PRO and ARCTIC.

It allows you to charge multiple radios simultaneously with the advantage of avoiding tangled wires, multiple power outlets. Supplied with a wall adapter with European socket and a cable to connect two multiple chargers so as to obtain the 12 positions, compared to the use of as many single chargers.

Code C1573
