

Albrecht Home SC 100 **FULL HD WIFI Security Camera**

The new Security Cam SC-100 from Albrecht guards everything you hold dear. In addition to its 110° wide-angle view, infrared night vision mode and integrated digital microphone, the smart security cam also has a range of up to 100 meters.

The stylish SC-100 is designed for use inside and outside buildings and is also suitable as an intercom system. Thanks to wireless installation and a USB rechargeable battery with an operating time of around three months, it can be flexibly used anywhere. A solar panel can also be connected as an option for continuous charging. The app records movements to the integrated SD card and transfers them directly to the smartphone where they can be called up at any time.
