

ALBRECHT USB A+C SOCKET

Double USB socket for mounting on the handlebar or for installation on a motorbike / in a vehicle. The socket provides a power supply for up to 2 external consumers (one USB-C and one USB-A connection), e.g. for navigation devices, mobile phones, MP3 players, etc. Thanks to the Quick Charge 3.0 charging function, your devices are recharged in the shortest possible time. The innovative protective cover acts as discharge protection for the motorbike battery: as soon as the cover is put on, the power supply is interrupted.
